

## Dokumentation der Nutzung von KI-basierten Anwendungen und Werkzeugen

	KI-basiertes Hilfsmittel	Einsatzform	Betroffene Teile der Arbeit	Beschreibung der Eingabe (Prompt)	Bemerkung
1	ChatGPT	Data conversing	Web application	Convert this data from a text format to JSON format	It helped me to quicker change format of data instead of doing it manually
2	ChatGPT	Grammar check	Introduction, Methodology, Discussion, Background, Conclusion	Check if there are any grammar mistakes	It helped me to get rid of grammar mistakes in the text
3	ChatGPT	References order	References	Order the following reference in the alphabetic order	It helped me to quicker order my list of references for more convenient use
4	ChatGPT	Text formatting consistency	Introduction, Methodology, Results, Discussion, Background, Conclusion	Check if text in the given file is in consistent format (font, size, paragraphs spacing etc.). Point ne on place where there it is not consistent	It helped to check text formatting in case I have missed something
